ILLUSTRATION OF CONVERGENCE

INSTRUCTIONS - Report all acquisitions and disposals for the period March 1, 1989 through February 28, 1990. Do not combine separations, use a separate schedule for each category of property. Check only one box per schedule. If additional schedules are needed, checkmark this schedule.

ADDITIONS - Describe and enter the serial acquisition, **a** case(s), including engine, axles, and use rates, height, in., and installation charges, by month of acquisition; transfers in should also be included. The former property address and date of transfer should be reported, as well as original date and cost(s) of acquisition.

Only completed projects should be reported here; i.e., the date the property becomes functional and/or operational, otherwise it should be reported as construction-in-progress.

Identify completed construction that was reported as construction in progress on your 1988 property statement. Describe the item(s) and include their cost(s), as previously reported, on a separate schedule and attach it to the AM 571-0 form.

DISPOSALS - Information on this property should include the disposal date, method of disposal (transfer, scrapped, abandoned,

Section 1031 - Exchange of property between related entities. Every exchange of property held, owned and subject and addendum of purchases when there are either sold or transferred.
